Dear Sir/Madam:

I am writing this reference at the request of Januario Cipriano, who is applying for the Blue Transformers at Standard Bank.

I have known Januario for two years in my capacity as a Senior Lecturer at Universiti Teknologi Petronas. Januario was under my supervision for two semesters for his Final Year Project, earning a good grade.

I would rate Januario as a good student. I have observed his dedication in studies and willingness in supporting his course mates. Dedication is demonstrated through good attendance to class, preparedness and curiosity of the course material. I have been especially impressed by Januario's hard work and putting in the extra miles when requested.

If his performance in my class is any indication of how he would perform in your position, Januario will be a positive addition to your organization. Should you need any additional information, please feel free to contact me at +60 16-668 5887 or by email at yewkwanghooi@utp.edu.my anytime.

Yours sincerely,
